

Are you ready for tomorrow?

See what changes with SAP Business One

Today: Connect the Business

BEFORE

- › Disconnected systems
- › Conflicting spreadsheets
- › Manual workarounds
- › Limited visibility

AFTER

- › One connected platform
- › One source of truth
- › Automated workflows
- › Real-time visibility
- › Access anywhere, on any device

RESULT

A business that runs as one.

Tomorrow: Run Proactively

BEFORE

- › Reactive decisions
- › Late visibility of risks
- › Growth creates complexity
- › Expansion feels difficult

AFTER

- › Predictive forecasting
- › Earlier operational insight
- › Scalable processes
- › Expansion without friction
- › AI innovations that transform how users work

RESULT

A business ready to move faster.

Forever: Keep Evolving

BEFORE

- › Systems that need replacing
- › Innovation that feels disruptive
- › Technology that limits growth

AFTER

- › Continuous innovation from SAP
- › A partner that grows with your business
- › Extend SAP Business One with partner innovations
- › A platform designed for long-term ambition

RESULT

A business ready for whatever comes next.

Today.
Tomorrow.
Forever.

Value in weeks.
Built for the
long term.
